

Our Services

Communities Forward LLC specializes in tailoring back-office solutions for healthcare providers with a focus on senior care. Our primary goal is to alleviate the administrative burdens, allowing our clients to dedicate their efforts to the meaningful mission of assisting seniors in aging gracefully and with utmost respect. We deliver comprehensive support by deploying outsourced staff and offering consultations for various aspects of organizational development and operations.

Legal Services

As your reliable legal advisors dedicated to safeguarding the prosperity of your business, Communities Forward assists enterprises with:

- Entity Formation
- Contract creation and negotiations
- Mediation and dispute resolution
- Facility planning, inspections, and risk assessment
- Employment Policies and Handbooks

Operational Support

We provide an extensive range of short and long-term operational support, encompassing HR and personnel management, among other essential services. Our Operational Support Services offer a distinctive solution to the prevalent challenges encountered by nonprofits. By outsourcing these needs to a practical and cost-effective alternative, businesses can concentrate on their core strengths rather than committing to the expense of hiring a full-time employee.

Strategic & Operational Planning

Strategic planning is the process of defining a long-term vision for your business, identifying the essential steps required to realize that vision, and effectively communicating the plan to your team.

We also offer expertise in analyzing the strengths, weaknesses, opportunities, and threats for your business. We excel in defining or clarifying your mission and vision statements, pinpointing your target market and competition. Additionally, we specialize in crafting operational and financial goals and objectives that are specific, measurable, achievable, relevant, and time-bound (SMART).

HR & Personnel Services

We offer comprehensive support to your company in the areas of staff identification and recruitment, staff evaluation, employee retention and termination.

Fund Development & Fundraising Support

We are dedicated to assisting you in securing the necessary funds to fulfill your mission by identifying or cultivating new sources of revenue. Our expertise in Fund Development/Fundraising encompasses a multi-faceted and continuous approach. We collaborate with your organization to formulate an annual development plan and establish corresponding reporting mechanisms, ensuring a strategic and effective fundraising strategy.
